**EC CERTIFICATE
OF FACTORY PRODUCTION CONTROL**

č. 1020 – CPD – 070038957

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product:

**Welding consumables – filler metals and fluxes
for fusion welding of metallic materials**

**Covered electrodes for manual arc welding of steels, cast iron, nickel and nickel alloys
specified in classification standards EN ISO 2560, EN 757, EN ISO 3580,
EN 1600, EN ISO 1071, EN ISO 14172**

placed on the market by:

KISWEL LTD.

#721-3, Hakjang-dong, Sasang-gu, Busan, South Korea

and produced in the factory:

#721-3, Hakjang-dong, Sasang-gu, Busan, South Korea

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body

1020 - Technical and Test Institute for Construction Prague

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13479:2004

were applied.

This certificate was first issued on 9 March 2010 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

The stamp of the Notified Body 1020

Ostrava, 9 March 2010
